25X1

A train of 48 flatcars, each of which was loaded with a plywood box containing an aircraft fuselage, was assembled in Pasewalk (N 54/Q 16). The train, which was labeled - From Zinnowitz (N 55/L 02) via Zuesow (N 54/P 81) to Frankfurt/Oder (O 53/V 63), left Pasewalk at 5:35 p.m.

25X1

two boxes contained fuselages without propellers. Soviet escorting personnel wore black-bordered, blue epaulets.

25X1 Comment: The purpose of the shipment cannot be determined. It is possible that the train carried new planes which had arrived at Zinnowitz or Swinemunde by ship and which were then transhipped by rail (railway-ferry near Wolgast), or that it carried aircraft from the Peenemuende airfield for shipment to Poland or the U.S.S.R.
